TORCH

So a good friend named Matt M. Bernat.
The good times rolled right on.
Some people say he might be smart.
Maybe one day he will score with a ton.
He really needs to clean his bong
He needs a little juice to sooth his nailin.
I hope he doesn't go to far wrong.
I wish him a fair wind and smooth sailin.

Seth W. Ray

MATTHEW W. BERNART

Matt,

We've had some pretty wild times since the 7th grade and it's really been fun. Doc's class has really been a trip this year. I hope you have the best of luck at college next year, take it easy and don't do anything I wouldn't do.

CAN

Do you know where you're going?

DO YOU KNOW WHERE YOU'RE GOING?

There are many aspects that tend to influence a person's life - family, friends, and school. Time is also an important factor. What you did last year, or the year before will have an effect on the rest of your life. What you do tomorrow will help determine how you choose to live your life. As a student, you now have the opportunity to decide "where you are going" and "what you are going to do" in order to get there. The 1977 TORCH STAFF has attempted to show you and your friends at N.S.H.S. the good times in your past so you may look pleasantly toward the future.

Jackets Strike Again!

The 1976 NSHS Jackets Baseball Team brought pride to our school by winning their District title with a perfect 10 and 0 record. This took them to the Regional playoffs where they defeated Nottoway for the title. This victory allowed them to continue to the State semi-finals against Turner-Ashby where they were handed a disappointing loss. Six Northampton players were named to the 1976 All Peanut District team: Chuck Churn, Warner Crumb, Wayne Hale, Kim Locklear, Joe Mitchell, and Kenny Ward. Robert Simpkins was named to the second team All District. The man behind the Jackets is Coach Bill Prince, who was named Coach of the Year!

Dedication

The 1977 Torch Staff has the privilege of dedicating the 1977 Torch to Coach William Prince. The Staff and student body thank him for his hard work and time in helping make our football team more successful, taking our baseball team to be district champs two years in a row, and for all his support and spirit in any athletic event. Though most important, we the students thank him for his concern for all involved in N.S.H.S.

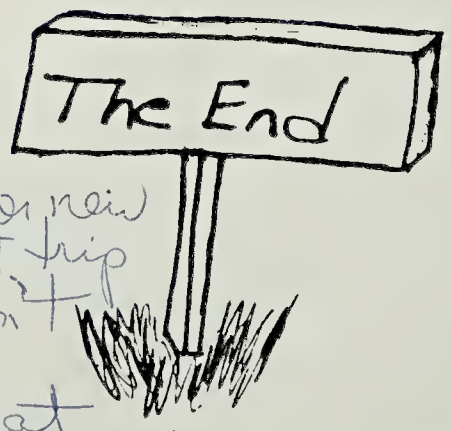
Matthew,
you are one of the greatest guys here at Northampton! Remember all the "good" times in Doc's room - he's rather "spacey"! Good luck always - especially with the girls; we know you can handle them though - a different one every day in Mexico - what a neat trip! stay "cool" this summer and we'll see you around at the hospital!
A word from Artie "Don't ever go straight"! HA!
Love ya,
Dana



Matt,
This has been the year for new experiences, especially that trip to Mexico. Really great! I don't know what you're gonna do in the future but have a great time at Duke. I know you'll do ok.
Hasta [illegible] Vaya.
Your friend,
Sandy

To matt: One of the most intelligent ~~reep~~ person I have met, one who is very aware of what is to be done and how. One of the most progressive person I know. He shows respect and brotherhood toward me and treats me as one the guys.

Yours pal clarence

Well, we've made it through one more year! After putting up with Mrs. Bull's projects and speeches and all those Spanish verbs. We'll always remember our Mexico trip and those hot days in Acapulco. Good luck next year at Duke, and I hope you have fun and don't get lost in the brush in Australia! Love,
